Lightweight and comfortable mitten with a service temperature of up to 600 degrees Celsius.
5-finger glove made completely from para-aramid felt.
The mitten can be used on both sides, has good mechanical resistance and also has good cut and perforation resistance.
The mitten is supplied in one size.
We recommend not washing the glove.

Used palm-side materials:
-Heavy-duty Para-aramid felt
-Light-duty Para-aramid felt

Used materials on the back:
-Heavy-duty Para-aramid felt
-Light-duty Para-aramid felt
