

AlphaTec® 79-700 (ex Virtex)

Chemical & Liquid Protection

Nitrile

Immersion

All day comfort in a lightweight glove

DESCRIPTION

- AlphaTec® 79-700 glove is designed specifically to offer outstanding comfort, flexibility and good chemical resistance.
- AlphaTec® 79-700 incorporates the unique new and patent pending Aquadri™ – Ansell Moisture Management Technology™. This technology gives this reusable, handed glove excellent moisture absorption capabilities and keeps users hands drier for a longer period of time.
- Gloves featuring the Aquadri™ show a significantly lower tendency to shed (even up to 50% less shedding) than traditional cotton flock gloves. So next to the comfort gain, you benefit from an optimised cost of ownership.

PRODUCT DETAILS

Coating material	Nitrile
Liner material	Aquadri
Grip design	Lozenge
Cuff style	Straight
Colour	Blue
AQL	0.65
EN Sizes	7,8,9,10,11
Length (mm)	310 mm +/- 10 mm
