

E·A·Rsoft FX Earplugs

DESCRIPTION

The E·A·Rsoft FX is the highest protecting earplug on the market today (SNR 39). It's smooth tapered finish makes fitting easier and helps form a comfortable fit. The flange shape when rolled down serves as a very effective insertion device, this makes fitting the earplug so easy that you can guarantee correctly fit every time!

FEATURE & BENEFITS

- Flange Design serves as effective insertion device
- Removes barriers workers have with problems fitting
- New PU material ensures all day comfort
- New shaped design ensures comfortable fit
- Flange design allows easy fitting & removal
- Easy to see if correctly fitted
- SNR 39- highest protection on the market from an earplug

FIELDS OF USE

- High noise levels
- Hot and humid conditions
- All day use

MATERIALS

Slow recovery polyurethane foam
